

Kodeklubben

# Kodeklubben

- Anne Aaby
  - Jobber i Renommé Communication, to barn.
  - Har startet Masterbloggen
- Helge Prestrud Astad
  - Jobber i Geodata AS, tre barn.
  - I kjerneteamet i Lær Kidsa Koding

# Code Club

A nationwide network of volunteer-led  
after school coding clubs for children aged 9-11

## Our mission

Give every child in the UK the chance to learn to code. It is our aim to have Code Club in 25% of primary schools in the UK by the end of 2015.

## How it works

Volunteers run Code Club after-school at their local primary school or community centre. Children attend Code Club once a week to learn the basics of coding. Find out more about [how to get started](#).

Code Club helps volunteers and schools find each other and creates projects for volunteers to teach at club sessions. The projects for term one use [Scratch](#) and [look like this](#).

# How to join in

## Volunteers

Run a Code Club at your local  
primary school

Volunteers start here

## Primary schools

Host an after-school Code Club  
once a week

Schools start here

## Parents

Make sure your school knows about  
Code Club

Find out more

- Code Club er i dag i gang på 678 skoler i UK
- Tre kursserier à ni kurs foreløpig

- Kodeklubben starter pilot i Oslo i vår
- Kodeklubben koder i Scratch
- Målgruppe: barn fra 8-13 år
- Scratch er på norsk!

- Vi trenger frivillige
- Vi trenger skoler og lokaler
- Vi trenger barn

- Sponsing: ja takk!
  - T-skjorter
  - Kopiutgifter
  - Minnepinner
  - Raspberry Pis
  - Picoboard
